

## Invitation

The University of Agronomic Sciences and Veterinary Medicine of Bucharest is honored to invite you to participate at the 15<sup>th</sup> Edition of the International Conference "*Agriculture for Life, Life for Agriculture*" that will be held in Bucharest, Romania, between 4<sup>th</sup> and 6<sup>th</sup> of June 2026.

We are privileged to continue the tradition of the past editions that have been extensively recognized as highly successful. We are confident that this year, too, the Conference will bring together researchers, scientists, experts and students from all over the world and they will have the opportunity not only to present the results of their latest research but also to build new connections and partnerships. The event will also provide a particular insight into the most recent agricultural research, field studies and exploitable results.

The presentations delivered at the conference will be published in the scientific journals of the University of Agronomic Sciences and Veterinary Medicine of Bucharest, sections: Agronomy; Horticulture; Animal Science; Veterinary Medicine; Land Reclamation, Earth Observation & Surveying, Environmental Engineering; Biotechnology; Management and Engineering in Rural Areas. Based on the recommendations from the Scientific Committee, a selection of the most representative papers will be published in Agrolife Scientific Journal.

We look forward to welcoming you at the "*Agriculture for Life, Life for Agriculture*" Conference in 2026 to share the experience and the joy of the event.

On behalf of the Organizing Committee,
